

Intercooler comparison

Stock intercooler VS Tony Dequick V1

Kenne Bell "Big Boy" VS Tony Dequick V2 (as you can see the V2 intercooler on the left is a little smaller than the V1 pictured above)

Tony Dequick V1 (top) VS ATR or Carteck/ATR (below) quoted "the baddest intercooler out there!"

RJC IC325 Megacooler (left) VS Cotton's Front mount (right).

RJC IC325 Megacooler (left) VS Tony Dequick V1 (right)

RJC IC325 Megacooler (left) VS Tony Dequick V1 (right)

Below is the long awaited Precision intercooler comparison. As you can see there really is no comparison.....

Below is a picture of our intercooler installed. as you can see all pipes are hidden and a very nice setup.
